PE - Outdoor Games

This half term we are working on mastering skills that we acquired last half term and incorporating them in team games.

Our skills to master are running and jumping. You could take part in activities in the garden or in the park where you are having races as a family, slalom races, relay races, timing each other at short sprints, lapping the garden. You could include team games

with obstacles that need jumping over, or you could try two footed jumps and measuring the distance.

PSHE - We have now set our goal for the end of this half term. Keep practising our song by using this link, and we will come together tomorrow on our Zoom to see how we are all getting on;
