

11.2.21

LO: Compare multiples of ten using cardinality and ordinality

Use the symbols for greater than, less than and equal to, to answer these questions:

6 tens 8 tens
90 80

40 2 tens
40 7 tens

Use the number line to help you!

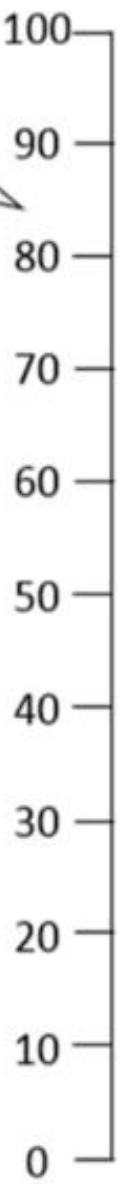

7 tens 30

100 10 tens

<	Less than
>	Greater than
=	Equal to

10+10 10+10+10+10

40 10+10+10+10

Fill in boxes with a possible multiple of ten:

< 50

40 > tens

tens > 30

1 ten > tens

< 5 tens

90 = tens
