

Year 3 News

Friday 14th July 2023

What a fantastic week it has been for the children! They have really got stuck into all areas of learning this week, from making pizzas to working on their movie production skills. The children have all shown so much endeavour and we are all so proud of them!

Thank you for your continued support.

Miss Hayman and Miss Jackson

HOME LEARNING

Reading – Children should aim to read for 15-20 daily. This may be reading to an adult or independent reading. Please record reading in the green reading record.

Spelling – This week we have been investigating the different spellings for the 'c' sound. Your spellings this week are: consider attic, baker, raccoon, pickle, bucket, school, chemist.

Maths – Activities will be set on MyMaths each week to follow up in class learning or revisit key skills. Children should spend no longer than 30 minutes per week on these tasks. This week, there are tasks based on calculations involving fractions.

Times tables – Times tables are key to so many areas of maths so we would like the children to try to spend a little bit of time practising regularly – every day if possible! This could be 5 minutes on Ttrockstars, quick-fire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at <http://play.ttrockstars.com> Times Tables of the Week are: 2x, 5x, 10x, 3x and 4x. We have set up a 'Battle of the Bands' competition between 3H and 3J to repeat each week. Keep playing each day to score points for your class!
