

Year 3 News

Friday 26th May 2023

What a fantastic end to a wonderful half term! This week the children have focused on constructing their very own fables, delved deeper into fractions and deepened their knowledge of sketching techniques. We wish you a restful break and look forward to seeing you on Tuesday 6th June!

HOME LEARNING

Reading – Children should aim to read for 15-20 daily. This may be reading to an adult or independent reading. Please record reading in the green reading record.

Spelling – This week we have been investigating the different spellings for the 'v' sound. Your spellings this week are: groove, beaver, navvy, navy, river, have.

Maths – During the holidays, we encourage children to continue practising identifying parts and wholes they see in everyday life and column addition and subtraction to consolidate their knowledge.

Times tables – Times tables are key to so many areas of maths so we would like the children to try to spend a little bit of time practising regularly – every day if possible! This could be 5 minutes on Ttrockstars, quick-fire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at

<http://play.ttrockstars.com> Times Tables of the Week are: 2x, 5x, 10x, 3x and 4x. We have set up a 'Battle of the Bands' competition between 3H and 3J to repeat each week. Keep playing each day to score points for your class!
