

Year 3 News

Friday 28th April 2023

What a great week the children have had! They have all really applied themselves in some fantastic learning in all subjects. They have especially enjoyed learning about how people lived during the Stone Age and the changes throughout the periods. In computing, they have thought long and hard about how they could stay safe online and which information can be shared and with whom.

Thank you for your continued support.

Miss Hayman and Miss Jackson

HOME LEARNING

Reading – Children should aim to read for 15-20 daily. This may be reading to an adult or independent reading. Please record reading in the green reading record.

Spelling – This week we have been investigating the different spellings for the /o/ sound. Your spellings this week are: bottle, consider, what, wander, wasp.

Maths – Activities will be set on MyMaths each week to follow up in class learning or revisit key skills. Children should spend no longer than 30 minutes per week on these tasks. This week, there are tasks based on column subtraction.

Times tables – Times tables are key to so many areas of maths so we would like the children to try to spend a little bit of time practising regularly – every day if possible! This could be 5 minutes on TTRockstars, quick-fire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at <http://play.ttrockstars.com> Times Table of the week this week are: 2x, 5x, 10x, 3x and 4xs and 8xs. We have set up a 'Battle of the Bands' competition between 3H and 3J to repeat each week. Keep playing each day to score points for your class!
