

Year 3 News

Friday 21st April 2023

We are very excited to have the children back for the Summer Term. We have lots of thrilling learning to look forward to! This week we have had a focus on 'No Outsiders' where we have explored stereotypes, bystander, how we can support children who feel like an outsider. The discussions that we have had have been so valuable.

Thank you for your continued support.

HOME LEARNING

Reading – Children should aim to read for 15-20 daily. This may be reading to an adult or independent reading. Please record reading in the green reading record.

Spelling – This week we have been investigating the different spellings for the 'ar' sound. Your spellings this week are: laughed, smart, calming, father, rather.

Maths – Activities will be set on MyMaths each week to follow up in class learning or revisit key skills. Children should spend no longer than 30 minutes per week on these tasks. This week, there are tasks based on column subtraction.

Times tables – Times tables are key to so many areas of maths so we would like the children to try to spend a little bit of time practising regularly – every day if possible! This could be 5 minutes on Ttrockstars, quick-fire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at <http://play.ttrockstars.com> Times Table of the week this week are: 2x, 5x, 10x, 3x and 4xs. We have set up a 'Battle of the Bands' competition between 3H and 3J to repeat each week. Keep playing each day to score points for your class!
