

Year 3 News

Friday 24th February 2023

Welcome back, we have lots of exciting learning this half term and we are delighted to be making a start! We are going to be exploring rocks, soil and fossils, making clay tiles, learning about pre-history and thinking about how to keep our body and mind healthy.

Thank you for your continued support.

Miss Hayman and Miss Jackson

HOME LEARNING

Reading – Children should aim to read for 15-20 daily. This may be reading to an adult or independent reading. Please record reading in the green reading record.

Spelling – This week we have been investigating the different spellings for the /s/ sound. Your spellings this week are: scissors, whistle, city, acid, science, chess and cancel.

Maths – Activities will be set on MyMaths each week to follow up in class learning or revisit key skills. Children should spend no longer than 30 minutes per week on these tasks. This week, there are tasks based on estimates and inverse operations.

Times tables – Times tables are key to so many areas of maths so we would like the children to try to spend a little bit of time practising regularly – every day if possible! This could be 5 minutes on TTRockstars, quick-fire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at

<http://play.ttrockstars.com> Times Table of the week this week are: 2x, 5x, 10x and 3x. We have set up a 'Battle of the Bands' competition between 3H and 3J to repeat each week. Keep playing each day to score points for your class!

SUBJECT SPECIFIC VOCABULARY

PSHE – oxygen, heartbeat, lungs, heart, fitness

Science – rocks, soil, fossils, colour, texture, pattern

WORD OF THE DAY

Precautions

Remote

Hollow

Climate

Extinct

NOTICES

Please speak to the Year 3 adult on the playground in the morning if you have an urgent message. For non-urgent issues please send us a message on class dojo as we are keen to be with your children promptly when they come into school.
