

Year 3 News

Friday 20th January 2023

Happy Friday! This week the children have thoroughly enjoyed learning running stitch and backstitch. They have been asking daily when they will be doing their final sewing product, as they have been ever so eager. We are looking forward to our fun filled week next week 😊

Thank you for your continued support,
Miss Hayman and Miss Jackson

HOME LEARNING

Reading – Children should aim to read for 15-20 daily. This may be reading to an adult or independent reading. Please record reading in the green reading record.

Maths – Activities will be set on MyMaths each week to follow up in class learning or revisit key skills. Children should spend no longer than 30 minutes per week on these tasks. This week, there are tasks based on recapping tens and ones and finding ten less and ten more than a given number.

Times tables – Times tables are key to so many areas of maths so we would like the children to try to spend a little bit of time practising regularly – every day if possible! This could be 5 minutes on TTRockstars, quick-fire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at

<http://play.ttrockstars.com> Times Table of the week this week are: 2x, 5x, 10x and 3x.

We have set up a 'Battle of the Bands' competition between 3H and 3J to repeat each week. Keep playing each day to score points for your class!
