

# Year 3 News

Friday 6<sup>th</sup> January 2023

Welcome back and Happy New Year! It has been so lovely to see the children back in school this week and getting straight on with their Spring Term learning. Both classes have enjoyed getting started on new units of learning. Please refer to the Year 3 Spring Guide for further information about the learning we have planned for the term.

Thank you for your continued support.  
Miss Hayman and Miss Jackson

## HOME LEARNING

**Reading** – Children should aim to read at home for **15-20mins daily**. This may be reading to an adult or independent reading. Please record reading in the green reading record.

**Maths** – This week we have been looking at right angles. Children are invited to look for right angles in their environment and make a list to share on Monday.

**Times tables** – Times tables are key to so many areas of maths so we would like children to try to spend a little bit of time practising regularly - every day if possible! This could be 5 mins on Ttrockstars, quickfire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at <https://play.ttrockstars.com>.

## NOTICES

Please ensure that all belongings (including PE bags) are clearly labelled.

Please keep a look out for further information regarding upcoming trips.
