

Year 3 News

Friday 2nd December 2022

What an amazing week!

It has been great to see so many Christmas decorations coming into school and children really getting into the spirit of advent. In English, the children are extremely excited to be creating instructions for making their very own eco-friendly reindeer food!

Thank you for your continued support,
Miss Hayman and Miss Jackson

HOME LEARNING

Reading – Children should aim to read for 15-20 daily. This may be reading to an adult or independent reading. Please record reading in the green reading record.

Spelling – This week we have been investigating the different sounds for the 'ea' spelling. Your spellings this week are: steak, gleam, great, bread and clean.

Maths – Activities will be set on MyMaths each week to follow up in class learning or revisit key skills. Children should spend no longer than 30 minutes per week on these tasks. This week, there are tasks based on consolidating multiplication facts. Children can also try to write word problems for the set 5x and 10x calculations.

Times tables – Times tables are key to so many areas of maths so we would like the children to try to spend a little bit of time practising regularly – every day if possible! This could be 5 minutes on Ttrockstars, quick-fire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at <http://play.ttrockstars.com> Times Table of the week this week are: 2x, 5x and 10x. We have set up a 'Battle of the Bands' competition between 3H and 3J to repeat each week. Keep playing each day to score points for your class!
