

# Year 3 News

Friday 11<sup>th</sup> November 2022

This week the children have been learning about different forms of poetry in English and creating their own based on our school learning behaviours. We have also been learning to measure in metres, centimetres and millimetres. How many things could you find to measure at home? What unit would you choose to measure in? 3H have also welcomed Miss Nash. Thank you to everyone for making her feel so welcome.

Thank you for your continued support.  
Miss Hayman and Miss Jackson

## HOME LEARNING

**Reading** – Children should aim to read at home for 15-20mins daily. This may be reading to an adult or independent reading. Please record reading in the green reading record.

**Maths** – Activities will be set on MyMaths each week to follow up in class learning or revisit key skills. Children should spend no more than 30mins per week on these tasks. This week, there are tasks on measurement to consolidate prior knowledge and new learning. Children can also investigate measurement further by measuring items at home and converting it into mm, cm and m.

**Times tables** – Times tables are key to so many areas of maths so we would like children to try to spend a little bit of time practising regularly - every day if possible! This could be 5 mins on TTrackstars, quickfire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at <https://play.ttrackstars.com>. Times tables of the week are: 2x 5x and 10x. We have set up a 'Battle of the Bands' competition between 3H and 3J to repeat each week. Keep playing each day to score points for your class!

## SUBJECT SPECIFIC VOCABULARY

Science: force, push, pull, gravity

History: chronology, BC, Before Christ, AD, Anno Domini

Music: crotchet, minim, crotchet rest and minim rest

## WORD OF THE DAY

Grounded

Weather

Weather

Refused

Frowning
