

# Year 3 News

Friday 30<sup>th</sup> September 2022

This week the children have thoroughly enjoyed expanding their knowledge on traditional tales, learning about the eat well plate in detail, creating marks to sounds in art and identifying and understanding symbols on maps.

A big well done to all the children for their hard work. Thank you for your continued support.

Miss Hayman and Miss Jackson

## HOME LEARNING

**Reading** – Children should aim to read for 15-20 daily. This may be reading to an adult or independent reading. Please record reading in the green reading record.

**Spelling** – Each week, words chosen from the 3/4 spelling list will be given as words to learn. This week's word: business

**Maths** – Activities will be set on MyMaths each week to follow up in class learning or revisit key skills. Children should spend no longer than 30 minutes per week on these tasks. This week, there is a task to complete the number sequencing using their knowledge of patterns and place value.

**Times tables** – Times tables are key to so many areas of maths so we would like the children to try to spend a little bit of time practising regularly – every day if possible! This could be 5 minutes on TTrackstars, quick-fire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at

<http://play.ttrackstars.com> Times Table of the week this week is: 10x and 2x

## SUBJECT SPECIFIC VOCABULARY

Computing: algorithm
