

# Year 6 News

## Monday 17<sup>th</sup> May 2021

Next week will be our unofficial 'SATs Week'. The children have been working incredibly hard both in school and at home over the past nine months and we wanted to give them the opportunity to complete a year six tradition that our children usually get to be involved with: breakfast at school and tests!

We will be revising this week and continuing our work across the curriculum to ensure the children receive a balanced diet of learning!

Mr Hubbard and Mr Pattison

### HOME LEARNING

**Reading** – children should aim to read at home for 20-30 minutes every day. This is on top of any reading that they do at school. This can be either reading to an adult or reading independently for pleasure. At the moment, we are unable to send reading records home so if you do have any queries then please message your child's teacher on Dojo or send us an email.

**Maths** – there are four MyMaths activities available on the website, please get in touch if you have forgotten your child's login details. These activities should not take any longer than 45 minutes altogether. They will be released on Monday and the children have a full week to complete them.

**Times tables** – please focus on the 12 times table this week and spend 10 minutes a day practising. You can also practise on TT Rockstars:  
<https://play.ttrockstars.com>

**Spellings** to learn this week – forty, sacrificed, attached, frequently, secretary
