

Year 6 News

Friday 23rd April 2021

Well done for a successful first week back after Easter. The children have worked incredibly hard and settled back into their routines and learning behaviours brilliantly.

We have been tackling some quite difficult maths and exploring features of some gruesome Dartmoor legends – they should be able to tell you all about Vixana of Vixen Tor! This is all in preparation for writing their own legend next week!

HOME LEARNING

Reading – children should aim to read at home for 20-30 minutes every day. This is on top of any reading that they do at school. This can be either reading to an adult or reading independently for pleasure. At the moment, we are unable to send reading records home so if you do have any queries then please message your child's teacher on Dojo or send us an email.

Maths – there are four MyMaths activities available on the website, please get in touch if you have forgotten your child's login details. These activities should not take any longer than 45 minutes altogether. They will be released on Monday and the children have a full week to complete them.

Times tables – please focus on the 11 times table this week and spend 10 minutes a day practising. You can also practise on TT Rockstars:
<https://play.ttrockstars.com>

Spellings to learn this week – pronunciation, according, exaggerate, queue, achieve, excellent.
