Welcome back!

Welcome back to school after what has been quite a sunny (but chilly!) Easter break.

We hope you are all ready and enthusiastic for another term at school as we dive into a whole new range of topics and learning.

We can't wait to get started!  
Mr Hubbard and Mr Pattison

## HOME LEARNING

**Reading** – children should aim to read at home for 20-30 minutes every day. This is on top of any reading that they do at school. This can be either reading to an adult or reading independently for pleasure. At the moment, we are unable to send reading records home so if you do have any queries then please message your child's teacher on Dojo or send us an email.

**Maths** – there are four MyMaths activities available on the website, please get in touch if you have forgotten your child's login details. These activities should not take any longer than 45 minutes altogether.

**Times tables** – please focus on the 12 times table this week and spend 10 minutes a day practising. You can also practise on TT Rockstars:  
<https://play.ttrockstars.com>

**Spellings** to learn this week – accommodate, equipment, programme, accompany and especially.
