

Year 5 News

Friday 3rd May 2024

We thoroughly enjoyed having Mr Hubbard back with us for a few days this week!

We had a great first coaching session with our tennis teacher, Dave! We had a go at forehand, rallying and even had volley competition!

We started our computing unit using CAD (computer aided design) software and had a go at making some glasses on the computer.

We explored the purpose of an oven and a hob in DT and discussed different cooking techniques for both, as well as health and safety tips.

It's worth noting that both PE slots in the Summer term are outside.

HOME LEARNING

Reading – children should aim to read at home for 20-30 minutes every day. This is on top of any reading that they do at school. This can be either reading to an adult or reading independently for pleasure.

Times tables – please spend 10 minutes a day practising on TT rockstars - our battle is live! 5B won last week...who will win this week? <https://play.ttrockstars.com>

Maths – We have sent home half an arithmetic paper to have a go at. There is NO MyMaths.

Spellings - <https://www.spellingshed.com/en-gb/> Please login to Spelling Shed (login details are in their reading records). Check assignments and you will see 5 games of new homophone or near homophones spellings to complete.

Please make sure homework is completed by Wednesday morning. There will be an opportunity on Thursday lunch time to complete activities at school if they have not been done at home.
