

# Year 5 News

## Friday 8th December 2023

Another successful week here in Year 5! We have enjoyed learning short multiplication in maths and writing our explanation texts in literacy.

We were fortunate enough to watch some nativity performances in school, which we thoroughly enjoyed! We were also lucky enough to head down to ECC and watch their performance of Matilda – congratulations to all those involved in this great production.

Please can we draw your attention to our uniform policy, available here: [School Uniform | Brixington Primary Academy](#). In particular, please remember that we allow only a maximum of one pair of small stud earrings.

### HOME LEARNING

**Reading** – children should aim to read at home for 20-30 minutes every day. This is on top of any reading that they do at school. This can be either reading to an adult or reading independently for pleasure. You can quiz at home by going to this website: <https://global-zone61.renaissance-go.com/>

**Maths** - please visit <https://login.mymaths.co.uk/login> to find the homework tasks for this week. We set a short multiplication task following on from our work on this in school. We would strongly advise you to watch/do the lesson first for some helpful reminders.

**Times tables** – please spend 10 minutes a day practising on TT rockstars: <https://play.ttrockstars.com> - this is especially important due to our current maths unit.

**Spellings** - <https://www.spellingshed.com/en-gb/> Please login to Spelling Shed (login details are in their reading records). Check assignments and you will see that 5 games of '-ibly' and '-ably' words to complete please.

***Please make sure homework is completed by Wednesday morning. There will be an opportunity on Thursday lunch time to complete activities at school if they have not been done at home.***
