

Year 6 News

Friday 1st December 2023

Another busy week in Year 6!

This week the children have:

- Begun learning about personification to write poems about Winter.
- Investigated Circuits in Science
- Have made cakes for the Christmas Fayre
- Used six-figure grid references in geography.

Mr Pattison, Mrs Batten and Mrs Hamilton

HOME LEARNING- there will be a homework club on Wednesday lunchtime for anyone who has struggled with the tasks or those who haven't completed the work set.

Reading –Children should read at home for 20-30 mins daily. This may be reading to an adult or independent reading.

Maths – A lot of Y6 maths is hugely reliant on children recalling their multiplication tables quickly. If they know these facts, it reduces the amount of thinking they have to do when calculating. We ask that all children focus on the facts that they are less confident with. Please spend some time weekly on TT Rockstars to help improve your recall. <https://play.ttrockstars.com> (Logins are in their Reading Records)

Please complete the arithmetic paper

Spellings to learn this week – extreme, although, breath, caught, different, ancient, cemetery, criticise, equipped, government

We have also been looking at words ending in -cious

There are some challenges on Spelling Shed for the children to have a go at this week

SUBJECT SPECIFIC VOCABULARY

RE – theist, atheist, agnostic

English – noun,
personification, phrase

Science – investigation, fair,
voltage

PE

6B- PE on Tuesday (Gymnastics) and Thursday (Circuits)
