

Year 4 News

Friday 11th November 2022

What a busy week!

This week we have been exploring electrical circuits, writing non-chronological reports, considering the similarities and differences between painting and sculpture and considering the idea of Remembrance.

A big well done to all the children for their hard work.

Thank you for your continued support.
Mrs Walker, Mrs Skinner, Mrs Keilty
and Mrs Glanville

SUBJECT SPECIFIC VOCABULARY

Each week we will share vocabulary linked to the learning we have planned for the coming week. It is really helpful for the children to become familiar with some of these words before they meet them in their lessons. There is no need to produce any work linked to these words, a conversation at home about the words would be brilliant!

Words for this week:

Edit revise correct improve

Shape side distance measure unit of measure

HOME LEARNING

Reading – We would like to ask the children to remember to record their home reading each day in their reading records. Children should aim to read at home for 15-20mins daily. This may be reading to an adult or independent reading.

Spellings – Each week, words chosen from the year 3/4 spelling list will be given as words to learn. This week's word are: circle and decide

Maths – This week we would like the children to complete MyMaths activities linked to perimeter. Remember, MyMaths login information can be found inside the front cover of your child's Reading Record.

Times tables – Times tables are key to so many areas of maths so we would like children to try to spend a little bit of time practising regularly - every day if possible! This could be 5 mins on TTrackstars, quickfire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at <https://play.ttrackstars.com>

Times Table of the week this week is: 4X

Optional Extras – Sometimes children are keen to do something extra linked to their learning. We will give ideas but there is no requirement to complete these tasks. Our history theme this half term is 'Ancient Egyptian Beliefs'. If children would like to do an optional extra this half term, they could choose another aspect of Ancient Egyptian life to research.

NOTICES

4WS DOJO – This is now working properly (finally!). Messages sent by parents can be seen by both teachers so now need to message each of us separately. Apologies for the delay in getting this sorted – it's been equally frustrating for us as it has been for you!

Coats – whenever possible, we get the children outside for playtime and lunchtime – even if it is a bit damp outside. Please ensure your child has a named coat with them in school each day.
