

Year 4 News

Friday 30th September 2022

Another busy week!

This week the children have been learning about different types of teeth, describing story settings, using column subtraction strategies, beginning to construct their pages for a pop up book, considering different ways to spell the word ending –shun, change directions during dance routines and much, much more.

Thank you for your continued support.
Mrs Walker, Mrs Skinner, Mrs Keilty
and Mrs Glanville

HOME LEARNING

Reading – Children have now all been given a reading book. Children should aim to read at home for 15-20mins daily. This may be reading to an adult or independent reading. Please record reading in the green reading record.

Spellings – Each week, words chosen from the year 3/4 spelling list will be given as words to learn. This week's word is: possession

Maths – Activities will be set on MyMaths each week to follow up in class learning or revisit key skills. Children should spend no more than 30mins per week on these tasks. This week, there are three tasks, all linked to subtraction (our current in-class focus).

Times tables – Times tables are key to so many areas of maths so we would like children to try to spend a little bit of time practising regularly - every day if possible! This could be 5 mins on TTrackstars, quickfire questions, games such as tables bingo, or any other way you can think of to practise! Children can log on at <https://play.ttrackstars.com>

Times Table of the week this week is: 3x

Optional Extras – Sometimes children are keen to do something extra linked to their learning. We will give ideas but there is no requirement to complete these tasks. Our history theme this half term is 'Ancient Egyptian Beliefs'. If children would like to do an optional extra this half term, they could choose another aspect of Ancient Egyptian life to research.

SUBJECT SPECIFIC VOCABULARY

Each week we will share vocabulary linked to the learning we have planned for the coming week. It is really helpful for the children to become familiar with some of these words before they meet them in their lessons. There is no need to produce any work linked to these words, a conversation at home about the words would be brilliant!

Words for this week:

Explanation non-fiction paragraph adverb
Ones tens hundreds thousands

NOTICES

Logging on to MyMaths and TTrackstars – you should find the log in details for your child inside the front cover of their Reading Record. If your child is having difficulty logging on to complete their home learning tasks, please send us a message and we will do our best to get it sorted!

Hair – Just a quick reminder that children with long hair should have it tied back. Thank you.
