

Year 6 News

Friday 13th January 2023

This week we have been learning how to manipulate multiplication and division calculation in order to keep the answer the same, focusing on grammar aspects in writing, throw a ball in netball, learning new 'words of the day' and shading with pencil in art. The children have been focusing on being kind and have set themselves 'goals' for the year in PSHE.

Mr Pattison, Mrs Batten and Mrs Hamilton

HOME LEARNING- there will be a homework club on **Wednesday** lunchtime for anyone who has struggled with the tasks or those who haven't completed the work set.

Reading –Children should read at home for 20-30 mins daily. This may be reading to an adult or independent reading. The children in Y6 have already read **8.4 million** words this school year!

Maths – Please join the 'Battle' between 6B and 6P on TT Rockstars this week; which class will win?

Complete the maths sheet that has been sent home (you can use the Knowledge Organiser to help with any facts you are not sure of)

Please keep practising your x tables- the maths we are covering this term is hugely reliant on you knowing them.

Spellings from this half term – **next week we will be testing the spellings from last half term.** The children will bring the list home with them.

(these are from the year 5/6 spelling list) It is really important that the children try and learn these words. We will focus on them in school too!

SUBJECT SPECIFIC FACTS TO

LEARN

Maths

Factor
Product
Quotient
Divisor
Dividend

We had a lot of children not complete homework last week. **Please ensure your child does the reading, maths and spelling every week.** We do have a homework session on Wednesday lunchtime for any that doesn't get done. This is a really positive habit to get into for their next step in secondary school.

Accelerated Reader Superstars

Over $\frac{3}{4}$ million words- Jack, Lottie, Daisy

Over $\frac{1}{2}$ million words- Aelfrice

Over $\frac{1}{4}$ million words -Theo, Lily, Chloe, Ernie

We have lots of children who have read around 200,000 words which is brilliant!
