

Year 6 News

Friday 18th November 2022

Thank you to the parents and children who helped Mrs Piper make some wonderful lanterns for the parade on 3rd December. We have also been following recipes, learning to scrutinise historical sources, writing our own adventure stories, thinking about numbers in the millions and thinking very hard about what we can do to 'Reach out' if we see bullying for anti-bullying week.

Mr Pattison, Mrs Batten and Mrs Hamilton

HOME LEARNING- there will be a homework club on **Wednesday** lunchtime for anyone who has struggled with the tasks or those who haven't completed the work set.

Reading –Children should read at home for 20-30 mins daily. This may be reading to an adult or independent reading. The children in Y6 have already read **5.3 million** words!

Maths – A lot of Y6 maths is hugely reliant on children recalling their multiplication tables quickly. We are encouraging Y6 to play <https://play.trockstars.com> daily. This week there is a Battle between 6B and 6P where each child can add to their class score. There is a 30 minute timescale per day for adding to the total.

We have also sent home some subtraction questions for each child to have a go at. We are working on this in school as well so will identify any areas the children struggle with.

Spellings from this half term –identity individual plus 3 or 4 spellings from your personalised list

(these are from the year 5/6 spelling list) It is really important that the children try and learn these words. We will focus on them in school too!
