

Year 6 News

Friday 7th October 2022

It has been really lovely to meet most of the parents this week and be able to share the positive start the children have made to year 6.

We have finished writing our Cracking Contraption explanation texts which we are really proud of (watch out for a new display on the lower site!).

Mr Pattison, Mrs Batten and Mrs Hamilton

HOME LEARNING- there will be a homework club on Wednesday lunchtime for anyone who has struggled with the tasks or those who haven't completed the work set.

Reading –Children should read at home for 20-30 mins daily. This may be reading to an adult or independent reading. The children in Y6 have already read **2.7 million** words!

Maths – A lot of Y6 maths is hugely reliant on children recalling their multiplication tables quickly. We have set some activities on Mymaths (passwords etc in the front of reading records) and we are encouraging Y6 to play <https://play.trockstars.com> daily. We have also sent home an arithmetic paper for each child to have a go at. We are working on these in school as well so will identify any areas the children struggle with.

Spellings to learn this week – **curiosity** and 3 or 4 spellings from your personal spelling list (these are from the year 5/6 spelling list) It is really important that the children try and learn these words. We will focus on them in school too!
