

Year 6 News

Friday 23rd September 2022

The Y6 children are really focused on learning and are showing fabulous learning behaviours in class. We have told the children that it is very important for them to share with us any struggles they are having in maths and English. This will enable us to ensure each child gets the support needed. If this information gets to you before us, please use dojo to pass this on.

Mr Pattison, Mrs Batten and Mrs Hamilton

HOME LEARNING- there will be a homework club on Wednesday lunchtime for anyone who has struggled with the tasks or those who haven't completed the work set.

Reading –Children should read at home for 20-30 mins daily. This may be reading to an adult or independent reading. The children in Y6 have already read **1.6 million** words!

Maths – A lot of Y6 maths is hugely reliant on children recalling their multiplication tables quickly. We have set some activities on Mymaths (passwords etc in the front of reading records) and we are encouraging Y6 to play <https://play.trockstars.com> daily We have also sent home an arithmetic paper for each child to have a go at. We are working on these in school as well so will identify any areas the children struggle with. Please hand these in by Thursday.

Spellings to learn this week – bargain, available, vegetable, vehicle (these are from the year 5/6 spelling list) It is really important that the children try and learn these words. We will focus on them in school too!

We have really settled into the routines of Y6 and are looking forward to meeting parents at our upcoming parent's evenings on Tuesday 4th and Thursday 6th October. Please ensure you have booked a timeslot; details of how to do this came out from school admin.

We have also sent out information regarding the Y6 residential. We understand that lots of us are feeling the 'pinch' with rising household costs. If you would like your child to go on residential and the cost is the barrier, please come and see us.
