

Year 5 News

Friday 11th March 2022

What another fantastic fun-filled week of learning! Our scientific endeavour was explored when we tested out whether dissolving salt into water was a reversible or irreversible change and created some wonderfully artistic salt crystals in the process!

To celebrate International Women's Day, the girls also took part in an extended football lunch time on the field, followed by an exciting football match after school – well done everybody for taking part, especially to those girls who were trying something new!

SUBJECT-SPECIFIC VOCABULARY

Maths

decimals, tenths, hundredths, thousandths, ones, tens, hundreds, thousands, decimal place, metric units of measure, litres, millilitres, cm, m, km, g, kg, Gattegno chart, multiply, divide, whole-number, multiplier, product, multiplicand, dividend, divisor, dividend, multiples

Notices:

After school arithmetic booster clubs are starting next week, Monday after school with Miss Burnett and Tuesday after school with Mr Hubbard (each session runs from 3:30-4:15). Please only attend if you received a letter regarding this club!

Reading Records

We will be looking at reading records this week in great depth to make sure we are all reading books that are of our level and to ensure we are all reading regularly. Please make sure your reading records are in school every day.

PE Kits

Please make sure PE kits are also in school every day, including outdoor trainers!

HOME LEARNING

Reading – children should aim to read at home for 20-30 minutes every day. This is on top of any reading that they do at school. This can be either reading to an adult or reading independently for pleasure. You can quiz at home by going to this website: <https://ukhosted88.renlearn.co.uk/2236370>

Maths: three new activities have been set up on MyMaths for this week. Last week there were very few children (around 10 out of 58) that actually completed their homework – this will have to change! Let's get on top of our MyMaths activities and if you get stuck, ask Mr Hubbard or Miss Burnett for help.

Times tables – please spend 10 minutes a day practising on TT rockstars: <https://play.ttrockstars.com>

Spellings to learn this week – determined, equipment, equipped

Class email addresses:

5B@brixington.devon.sch.uk and 5H@brixington.devon.sch.uk

Please make sure homework is completed by Thursday morning. There will be an opportunity on Thursday lunch time to complete activities at school if they have not been done at home.
