2021

Well done for finishing another really hard-working week! We have made a lot of progress with our water bottle holders and are on track to finishing our own maze game on Scratch!

The children have worked meticulously on their short multiplication techniques in maths and tricky grammar concepts in English.

Keep up the good work next week!

## **HOME LEARNING**

**Reading** – children should aim to read at home for 20-30 minutes every day. This is on top of any reading that they do at school. This can be either reading to an adult or reading independently for pleasure. You can quiz at home by going to this website: <https://ukhosted88.renlearn.co.uk/2236370>

**Maths** – there are new MyMaths activities available on the website, please get in touch if you have forgotten your child's login details.

**Times tables** – please spend 10 minutes a day practising on TT rockstars: <https://play.ttrockstars.com>

**Spellings** to learn this week – existence, hindrance, necessary, prejudice, sacrifice.
