

Year 3/4 News

Friday 13th February 2026

Dear All,

This week's highlights include:

- Writing fantastic persuasive leaflets about our dream places!
- Creating masterpieces in the style of Matisse.
- Understanding how to find unknown lengths of polygons and working extra hard on our problem solving techniques.
- Learning about different duties and festivals in Hinduism and looking at similarities and differences with our lives.
- Looking at what a stereotype is and how to combat them and treating everyone equally.

Wishing everyone a very restful and happy half term break and we look forward to seeing you all on Monday 23rd February!

The Year 3/4 Team

HOME LEARNING

Reading – If you have any queries about your child's reading, please use the Reading Records to pass on any comments to the teacher. **Children should aim to read at home for 15-20mins daily.** This may be reading to an adult or independent reading. Please record reading in the green reading record and ensure it is in school **every day** along with their reading book.

Spellings – This week in our spelling lessons, we have been looking at spelling words from the y3/4 Statutory Spellings. Please log into spelling shed to practise spelling these words: build, describe, imagine, library, natural, ordinary, promise, recent, suppose, weight

Maths – This week, the children concluded their learning on length and perimeter. Please log in to Magma Maths to complete the assignment labelled 13.2.26.

Times tables – Times tables are key to so many areas of maths so we would like children to try to spend a little bit of time practising regularly - every day if possible! Children can log on at <https://play.trockstars.com> and <https://www.topmarks.co.uk/maths-games/hit-the-button>. Note for our gorgeous Year 4 children and parents- The children in Year 4 sit a National Times tables test in June. They will answer 25 questions in 6 seconds using a laptop. So, any extra work at home on times tables is absolutely worth it! **They should go on 'Soundcheck' or 'Garage' modes.**

Optional Extras –

Geography – Research some more physical features of France.

Spellings – Use the spelling challenge cards to practise the Statutory Spellings.

NOTICES:

- Please have your reading diary in every day.
- Outdoor PE will be Outdoor Adventurous Activities (forest school) so warm clothes and wellies will be needed please.
- Indoor PE for 3/4J & 3/4P will be gymnastics so children will need the usual school PE kit please and 3/4K will be swimming.
- If you wish, please bring a healthy morning snack.

Spelling Selection

Tell a Story

Use all of your spelling words in a short story that makes sense! Underline your words with a ruler.

Spelling Selection

Pyramid Writing

Write each of your words like a pyramid:

Spelling Selection

Fancy Letters

Write each of your words using fancy writing. Your letters could be curly or dotty... or whatever you decide!

Spelling Selection

Join the Dots

Write each of your words using dots. Then, join the dots with a coloured pencil to make your word.

Spelling Selection

UPPER and Lower

Write each of your words out **two** times. Write in **UPPERCASE** the first time and in **lowercase** the second time.

LITERACY / literacy

Spelling Selection

Backwards Words
