

Year 4 News

Friday 14th May 2021

A soggy but busy week!

This week we have been dodging the showers but still managed to get outside for our tennis sessions, design our own quiz games with circuits in DT, write quest stories in English, further explore HTML in our computing lessons, develop our understanding of 'invade and conquer' in history...and much, much more!

Mrs Walker, Mrs Skinner & Mrs Keilty

HOME LEARNING

Reading –Children should aim to read at home for 15-20mins daily. This may be reading to an adult or independent reading. At the moment, we are unable to send reading records home so if you have a query about your child's reading please send a DOJO message or use the class email address.

Maths – In our maths lessons next week, we will be learning about TIME. We have set three MyMaths task involving telling the time. Completing these tasks will prepare the children for our in-class learning for maths lessons next week.

Times tables – Times table of the week is **4x**.

Get those running shoes on!

Our current PE focus is distance running. To give the children chance to apply their skills, as well as raise money for a worthy cause, we are hosting our very own 'Race for Life Schools' event on Monday 24th May. And the whole school is going to join us in our challenge and participate too! Details of our justgiving page will be shared via the school facebook page and newsletter – please support us in our fundraising if you are able.

School website

The GALLERY page has been reorganised and there is now a section for each year group so don't forget to have a look each week to see some of the things we have been getting up to in our learning.
