

# Year 4 News

Friday 30<sup>th</sup> April 2021

## What a busy week!

This week has seen the year 4 children learning HTML in our computing lessons, developing their French vocabulary, making the most of our outdoor space in our PE lessons (tennis and distance running this half term) and lots more besides! Well done to all the children for all their hard work.

Mrs Walker, Mrs Skinner & Mrs Keilty

## HOME LEARNING

**Reading** – Children should aim to read at home for 15-20mins daily. This may be reading to an adult or independent reading. At the moment, we are unable to send reading records home so if you have a query about your child's reading please send a DOJO message or use the class email address.

**Maths** – In our maths lessons next week, we will be learning how to apply our decimal knowledge and rounding skills to money. We have set two MyMaths task recapping previous learning on money. Completing these tasks will help prepare the children for maths lessons next week.

**Times tables** – Times table of the week is **8x**.

## SUBJECT SPECIFIC VOCABULARY

### Maths

Money    estimate    change  
convert    round

### English

dialogue    inverted commas  
reporting clause

## Looking ahead

The year 4 staff team have been working hard to plan in some additional opportunities for our children this term.

We will be making the most of our amazing school grounds, organising and participating in the 'Race for Life – School's version'! This is linked to our current PE focus on distance running. We are also hoping to join in the Exmouth Park Run once it is back up and running later in the term. Also, look out for information about extra-curricular activities which will be coming home soon.

Pics from our summer term learning will be added to the school website so you can see all the different things we get up to!
