

Year 4 News

Friday 26th March 2021

Almost the end of term!

Well done year 4 for another great week. We have been impressed with your enquiring questions in our science lessons, your creativity and persuasiveness in our English lessons and your continued enthusiasm for life in general back at school.

Just one more week until the Easter hols – keep up the good work.

Mrs Walker, Mrs Skinner & Mrs Keilty

HOME LEARNING

Reading – Children should aim to read at home for 15-20mins daily. This may be reading to an adult or independent reading. At the moment, we are unable to send reading records home so if you have a query about your child's reading please send a DOJO message or use the class email address.

Maths – We have set activities on MyMaths linked to our times table of the week.

Times tables – Times table of the week is **11x**.

SUBJECT SPECIFIC VOCABULARY

Maths

Decimals tenths
hundredths increase
decrease

English

Noun verb adjective
adverbial phrase

Parents' Meetings

Thank you to everyone who have already attended parents' meetings. It was so lovely to be able to share how the children have settled back in to school life. And thank you for all the positive feedback we received at these meetings. It really does mean a lot to us!

End of term

Just a reminder that we finish school on Thursday 1st April for the Easter holidays.

The children (and their families!) have worked so hard during lockdown, whether at home or in school. Coming back to school has brought its own challenges for all of us (no more lessons in pyjamas!) and the children have been overwhelming positive throughout.

So, WELL DONE to all the year 4 team - children and staff – for all that you have achieved this term and enjoy the break!
