

Year 4 News

Friday 12th March 2021

It's good to be back!

It has been so lovely to have all the children back together in school this week. Thank you to all parents and children for helping keep us all safe by following all our COVID guidelines. The children have settled back in well and have enjoyed getting to see their friends in real life again!

Mrs Walker, Mrs Skinner & Mrs Keilty

HOME LEARNING

Reading – Children should aim to read at home for 15-20mins daily. This may be reading to an adult or independent reading. At the moment, we are unable to send reading records home so if you have a query about your child's reading please send a DOJO message or use the class email address.

Maths – We have set an activity on MyMaths linked to our times table of the week.

Times tables – Times table of the week is **7x**.

punctuation

Exeter Chiefs

This week year 4 have been visited by members of the Exeter Chiefs Community Team. The team are leading sessions around the theme of 'Healthy body, Healthy Mind' which is our PSHE focus this half term. The children take part in a classroom based session and an outdoor physical activity session. These sessions will continue until Easter. The children had a great time this week and we're sure the next three sessions will be just as well received!

PE KIT

Just a reminder to bring PE kits into school every Monday. They will be sent home at the end of the week for washing before being returned. With the weather as it is, it is important the children have warm layers (leggings, joggers etc) as well as their shorts and t-shirts.

Thank you
