

Year 3/4 News

Friday 5th July 2024

Dear All,
We are so proud of the children for setting some amazing first impressions with their new teachers. We were delighted to hear that they were respectful, polite, helpful, and kind in their new environments. We hope the children are excited about their upcoming adventures! This week we have also enjoyed beginning our maths unit all about time. The children really surprised us with some of the fabulous facts that they could remember. DT has also been a highlight this week! The children have enjoyed getting stuck into the designing part of their game projects and we are looking forward to making them over the next few weeks! Science has opened up some questions around living and non-living and the children were excited to find out about how animals can be classified.

All the best,
Mrs Keilty, Miss Dowd, Miss Jackson and Mrs Skinner

HOME LEARNING

Reading – If you have any queries about your child's reading, please use the Reading Records to pass on any comments to the teacher. **Children should aim to read at home for 15-20mins daily.** This may be reading to an adult or independent reading. Please record reading in the green reading record.

Spellings – Please practise this week's spelling words: *brochure, famous, tension, penniless, hideous, different, astronaut, completion, admission, mathematician.*

Maths – Please complete this week's maths homework on My Maths.

Year 3 - please complete the work set on 'introducing clocks'.

Year 4 - please complete the work set on 'time 1'.

If your child finds these easy, please use the sheet on the back as extra practise!

Optional Extras – Why not have a go at writing another adventure story of your own this week, based on Sandy Cove? Perhaps you could illustrate it too and make it into your own little story book... OR you could write a short persuasive piece of writing explaining why people should move to Exmouth!

SUBJECT SPECIFIC VOCABULARY

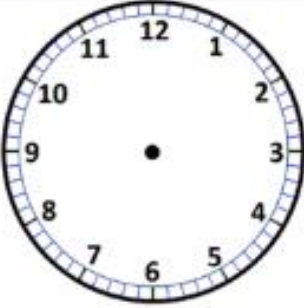

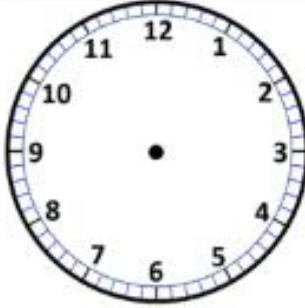

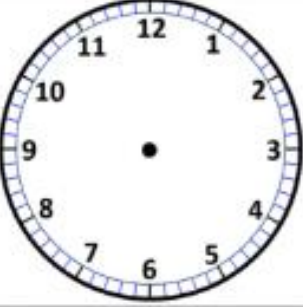

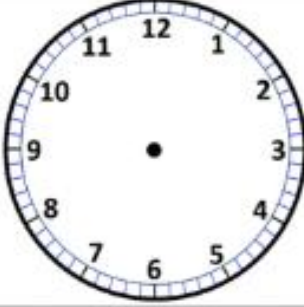

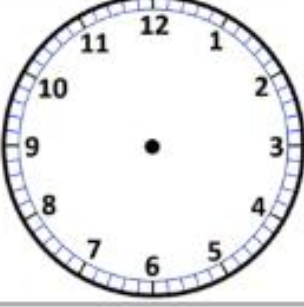

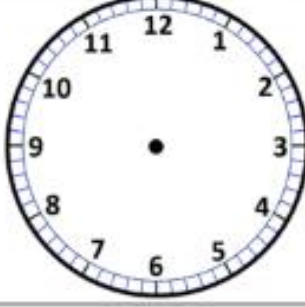

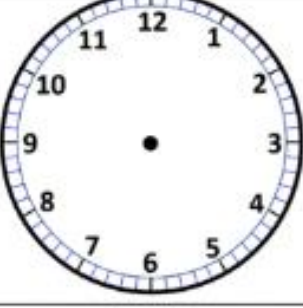

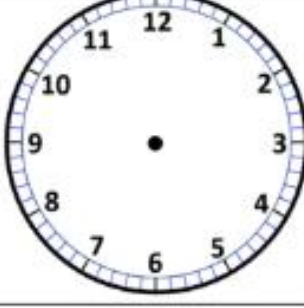

Science – mammals, reptiles, birds, amphibians, fish

Geography – migration, migrant, immigration

French – janvier, fevrier, mars, avril, mai

NOTICES:

- There is an additional 'meet your teacher afternoon' on Wednesday 17th July. We look forward to shuffling up this day!
- On Friday, 19th July, we have planned a special treat for your children...
