

Year 3/4 News

Friday 22nd March 2024

Dear All,

It was wonderful to meet so many parents this week during parents evening round 1. We are looking forward to more of these after Easter again. The children have made themselves proud by showing great endeavour in so many assessments and they have all worked super hard making great progress across many subjects. It has been really enjoyable to see them all flourish this term, we can't wait for the next term already and will soon share a curriculum map with you for it. This week, on top of assessments, the children have thoroughly enjoyed learning about Bastille Day in France, writing seasonal soup recipes and investigating traditional tales.

All the best

HOME LEARNING

Reading – If you have any queries about your child's reading, please use the Reading Records to pass on any comments to the teacher. **Children should aim to read at home for 15-20mins daily.** This may be reading to an adult or independent reading. Please record reading in the green reading record.

Spellings – Please practise this weeks spelling words with the suffix -ian; *optician, beautician, technician, mathematician, magician, dietician, musician, electrician, politician, physician*

Maths – For our Fractions work, please rehearse division skills linked to times tables. Divide amounts into halves, thirds, quarters and eighths.

Year 3's – please complete the fractions refresher from year 2 ahead of our new unit next week.

Year 4's – please complete the fractions refresher form year 3 ahead of our new unit week.

Times tables – Times tables are key to so many areas of maths so we would like children to try to spend a little bit of time practising regularly - every day if possible! Children can log on at <https://play.trockstars.com> and <https://www.topmarks.co.uk/maths-games/hit-the-button>. Please see the following pages for a times table revision mat and a little acronym the children can use to help them tackle mathematical word problems.

Optional Extras – This week you may want to spend a little bit of time revising the Year 3/4 Key Word spelling list- you could pick 10 words and have a go at spelling these in fun ways:

Rainbow Words

Write your words out in pencil.
Next, draw around each letter
five more times using a different
coloured pencil.

literacy

Pyramid Writing

Write each of your words
like a pyramid:

Fancy Letters

Write each of your words using **fancy writing**. Your letters could be curly or dotty... or whatever you decide!

SUBJECT SPECIFIC VOCABULARY

Music: *pulse, gospel, soul music*

English: *speech punctuation, fronted adverbials*

Maths: *proper fraction, halves, thirds, quarters, eighths*

NOTICES:

- Please bring in a healthy snack for the morning break.
- Please ensure reading records are in every day please.
- Last day of term is Thursday 28th March.
- 3/4J start swimming after Easter. Please bring in your swimming bag every Thursday.
