

Year 3/4 News

Friday 22nd September 2023

What a busy week!

This week we have really enjoyed immersing ourselves into story settings and cannot wait to begin writing our own ones next week about Hogwarts School of Witchcraft and Wizardry! We have started looking at blogs and will be soon writing our own exciting blogs. In DT we have explored fixed and moving joints and are eager to get designing our pop-up book covers with moving parts!

Thank you for your continued support.
Mrs Keilty, Miss Dowd, Miss Jackson and Mrs Skinner

HOME LEARNING

Reading – If you have any queries about your child's reading, please use the Reading Records to pass on any comments to the teacher. **Children should aim to read at home for 15-20mins daily.** This may be reading to an adult or independent reading. Please record reading in the green reading record.

Spellings – This week we have been learning the prefix 're-'. Please could you practise the spellings attached and then next week we will have all of the children's logins for spelling shed ready to go!

Maths – Activities will be set on MyMaths each week to follow up in class learning or revisit key skills. Children should spend no more than 30mins per week on these tasks.

Y3's please could you log in to MyMaths and complete the commutativity homework.

Y4's please could you log in to MyMaths and complete the addition and subtraction homework.

Times tables – Times tables are key to so many areas of maths so we would like children to try to spend a little bit of time practising regularly - every day if possible! Children can log on at <https://play.trockstars.com>

Optional Extras – Sometimes children are keen to do something extra linked to their learning. We will give ideas but there is no requirement to complete these tasks. Our computing theme is blogs this half-term. Maybe you would like to create your own blog to bring in and show everyone. This could be about fashion, music, food or anything you like!

SUBJECT SPECIFIC VOCABULARY

Each week we will share vocabulary linked to the learning we have planned for the coming week. It is really helpful for the children to become familiar with some of these words before they meet them in their lessons. There is no need to produce any work linked to these words, a conversation at home about the words would be brilliant!

Words for this week:

Word of the day: crumple, rag-doll, wander, engine, gust

Maths: minuend, subtrahend, difference

DT: pivot, joint, opposite, parallel

NOTICES

Thank you so much for your cereal box contributions, we now have plenty and will not need anymore!

If you have made alternative arrangements for home time collection. Please could you either send us a dojo to verify or contact the office and let them know.
