

Year 3 News

Friday 9th July 2021

It's coming home!

It has been so wonderful to see the children get so excited by England's win on Wednesday. It's been 55 years since England reached a major football final so hopefully you'll all be watching and cheering them on. Talk to your children about the importance of the National Anthem (they could even learn it if they don't know it), talk about pride and resilience and possibly disappointment. This is a learning opportunity.

Enjoy your weekend everyone!

Thank you for your continued support.

The year 3 team

HOME LEARNING

Reading – Children should aim to read at home for 15-20mins daily. During one of your reading sessions at home this week, let the children pick out new words or words they don't know and find their meanings in a dictionary. Keep on quizzing!

Maths – Please have a go at the shapes work on MyMaths.

Times tables – Please continue to practise the 3 times tables at home. Practise your division facts for the three times tables if you are secure with the multiplication facts.

Use <https://play.trockstars.com> to practice your speed.

Where possible we would love children to use the website and challenge themselves to improve their speed. Don't also forget about the 99 club 😊

Optional Extras – There is no requirement to complete these tasks, they are entirely optional. Create a nature inspired collage using a range of different materials. Build up the layers by using things you would find in nature, or materials inspired by natures.

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email: 3b@brixington.devon.sch.uk 3r@brixington.devon.sch.uk

SUBJECT SPECIFIC VOCABULARY

These words will come up in our learning this week. Please have a conversation at home about these words.

PSHE – roles, female, male, stereotype, gender

Maths – shape, right angle, quarter turn, half turn

Spellings

The children should know these words inside-out, upside-down and back to front, in context!

Busy Business

NOTICES

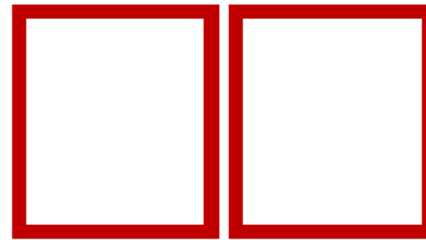

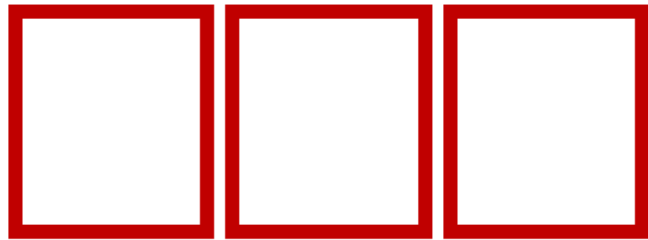

Wednesday 14th July – Woodbury Common trip

Thursday 15th July – Iron Age/Stone Age dress up day

If you have any old newspapers at home, please send them into year 3. We are using newspapers as part of a collage piece of art work.

Thank you.

Investigate

Using the digits 0, 1, 2, 3 and 4 make a 3-digit number and a 2-digit number.

Make the difference between the two numbers as small as possible.

You can use each digit only once.
