

Year 3 News

Friday 2nd July 2021

Super Sports!

The children did amazingly well at sports day and showed true sportsmanship, cheering on other members of their house teams. We will be uploading photos to dojo class stories so that you can feel involved in some way.

Children are continuing to work hard with their reading and most children are now beginning to quiz on their books which is fantastic to see. Please keep encouraging this at home.

3B word count: 1,184,766

3R word count: 1,783,426

Thank you for your continued support.

The Year 3 Team

HOME LEARNING

Reading – Children should aim to read at home for 15-20mins daily. Allow the children to enjoy their school book as well as a book for pleasure. It is important the children are creating a real 'love for reading' both at home and in school. The children have been really enjoying reading some of our children's newspapers in class.

Maths – Please have a go at the fraction work set on MyMaths. Do send us a message if you are unable to access this at home. Extra: if you'd like to – have a go at the reasoning problem at the bottom of the newsletter.

Times tables – Please continue to practise the 3 and 4 times tables at home. Practise your division facts for the three and four times tables if you are secure with the multiplication facts.

Use <https://play.ttrockstars.com> to practice your speed.

Where possible we would love children to use the website and challenge themselves to improve their speed. Don't also forget about the 99 club 😊

Optional Extras – In art & design we have been beginning to plan our 'craft' project based on a cave painting. The children could have a go at practicing their piece. Using newspaper or paper as their background, drawing their fable character in pen and then painting on top of their picture.

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email: 3b@brixington.devon.sch.uk 3r@brixington.devon.sch.uk

SUBJECT SPECIFIC VOCABULARY

These words will come up in our learning this week. Please have a conversation at home about these words.

Science - micro-organisms, pollination, seed dispersal, fertilisation, germination.

Art – medium cave painting sketching mastery

Spellings

The children should know these words inside-out, upside-down and back to front, in context!

opposite, pressure, suppose

NOTICES

Tuesday 6th July – transition morning (children meet their new teacher)

Please can your child bring in a piece of cardboard (pizza box thickness) for our ongoing art project. We will need these in school by next Thursday (8th July).

Additionally, if you have any egg boxes lying around at home please could these come in too. Thank you.

I know... so...

$$\frac{3}{4} \text{ of } 100 = 75$$

$$\frac{3}{4} \text{ of } 10 =$$

$$\frac{3}{4} \text{ of } 1 =$$
