## Fantastic Fables!

The children have really enjoyed learning all about fables and the features used in these stories. We have been innovating 'Town Mouse and Country Mouse' this week and next week we will be writing our very own fable with its own moral!

Children are continuing to work hard with their reading and most children are now beginning to quiz on their books which is fantastic to see. Please keep encouraging this at home.

3B word count: 1,140,423  
3R word count: 1,688,372

Thank you for your continued support.

The Year 3 Team

## HOME LEARNING

**Reading** – Children should aim to read at home for 15-20mins daily. Allow the children to enjoy their school book as well as a book for pleasure. It is important the children are creating a real 'love for reading' both at home and in school.

**Maths** – Please have a go at the fraction work set on MyMaths. Do send us a message if you are unable to access this at home.

**Times tables** – Please continue to practise the 3 times tables at home. Practise your division facts for the three times tables if you are secure with the multiplication facts.

Use <https://play.ttrockstars.com> to practice your speed.

Where possible we would love children to use the website and challenge themselves to improve their speed. Don't also forget about the 99 club 😊

**Optional Extras** – In computing we have been videoing our reports and saving them to files on the computer. We have been ensuring that internet safety is paramount. So, this week as an extra you may design an internet safety poster or video (remember everything we have looked at in class)

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email: [3b@brixington.devon.sch.uk](mailto:3b@brixington.devon.sch.uk) [3r@brixington.devon.sch.uk](mailto:3r@brixington.devon.sch.uk)

## SUBJECT SPECIFIC VOCABULARY

These words will come up in our learning this week. Please have a conversation at home about these words.

Geography - Ordnance Survey, maps, key codes, horizontal, vertical

Art – collage, observational drawing, craft, inspire

## Spellings

The children should know these words inside-out, upside-down and back to front, in context!

grammar, occasion

## NOTICES

Our **Sone age/ Iron age day** will be held on **Thursday 15<sup>th</sup> July**. We are encouraging children to dress up for this day (3B- Iron age 3R-Stone age). Please see below some suggestions for costumes.

Stone Age & Iron Age day costume suggestions:
