## Finding Fractions.

We have begun our new unit, fractions, in maths. The children have enjoyed finding lots of different fractions including fractions of amounts and of shapes.

Our bean plants are ready to plant! Next week we will be planting up our beans in the farm. Some have grown very tall while others have not grown at all. We have learnt lots from our investigation.

Thank you for your continued support.

## HOME LEARNING

**Reading** – Children should aim to read at home for 15-20mins daily. During one of your reading sessions at home this week, let the children pick out new words or words they don't know and find their meanings in a dictionary. Keep on quizzing!

**Maths** – Please have a go at the work set on MyMaths. Do send us a message if you are unable to access this at home.

**Times tables** – Please continue to practise the 3 times tables at home. Practise your division facts for the three times tables if you are secure with the multiplication facts.

Use <https://play.ttrockstars.com> to practice your speed.

Where possible we would love children to use the website and challenge themselves to improve their speed. Don't also forget about the 99 club 😊

**Optional Extras** – If you haven't done so already, please design and prepare an outfit for your history day, there are more details below. You can draw out your design, prepare all the parts or describe what you may want your outfit to look like. This is an optional extra but we do feel having a costume will enhance the day's learning.

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email: [3b@brixington.devon.sch.uk](mailto:3b@brixington.devon.sch.uk) [3r@brixington.devon.sch.uk](mailto:3r@brixington.devon.sch.uk)
