

Year 3 News

Friday 19th March 2021

Welcome back

The children have been busy writing their own stories inspired by 'The present'. We are working hard to include all the correct punctuation and building up our writing stamina. It is really important that we keep practicing our handwriting and the correct sizing for capital letters and full stops. We have also been busy getting messy exploring clay and what all the different tools are for.

Thank you for your continued support.
Miss Brown and Mrs Rickword

HOME LEARNING

Reading – Children are bringing home reading books. Children should aim to read at home for 15-20mins daily. If you have a query about your child's reading, please send a DOJO message or use the class email address. It is great to see so many children quizzing!

Maths – There are a selection of tasks set on MyMaths for this weeks homework all linked to our addition and subtraction unit. Please complete AT LEAST 1 task but if you would like to have a go at more then please do!

Times tables – We will be looking at how the 2, 4 and 8 times tables link. Please practice these tables at home. (4x table is our newest) Explore the patterns that can be found. Use <https://play.ttrockstars.com> to practice your speed. Where possible we would love children to use the website and challenge themselves to improve their speed.

Optional Extras – There is no requirement to complete these tasks, they are entirely optional. As part of our Geography unit, the children could choose another part of Exmouth to explore and tell us all about. This could include the town centre, their favourite place or somewhere new. They could find out where it is on a map, what you might find when you are there and any natural features.

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email:
3b@brixington.devon.sch.uk 3r@brixington.devon.sch.uk

SUBJECT SPECIFIC VOCABULARY

These words will come up in our learning this week. Please have a conversation at home about these words.

difference between measure observe
bar chart patterns findings conclusion

Spellings

The children should know these words inside-out, upside-down and back to front, in context!

rebuild reposition
occasion probable

NOTICES

If possible, please could your child bring in an old shirt/ t-shirt for our art sessions.
Please ensure all children have their PE kits in school each week as well as their reading books every day.
Thank you.
