Curious Capers

The children have looked at four different animals based on learning behaviours. We have seen lots of Tommy Tortoise this week; giving things their best go.

Ask your child what a Tommy tortoise does!

HOME LEARNING

Reading – Children are bringing home reading books and some are beginning to quiz on accelerated reader so therefore the children need to really practice those comprehension skills. Children should aim to read at home for **15-20mins daily**.

Spelling – About People Your Carefully Colourless Playful Sleigh Important

Maths – Practise the 4 times tables. This can be done by playing on TTRS, using hit the button or just by writing out the tables on some paper to name a few ideas.

This week, please see the MyMaths website for your child's maths focused home learning. It doesn't follow our maths journey this week but the work is aimed at the children practicing their knowledge of 3D shapes for D&T

Optional Extras

Write a story using some amazing adjectives and astonishing adverbs. This could be Christmas themed. There are lots of online tools that can be used to find synonyms and improve the word choices.

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email.
