

Year 3 News

Friday 27th November 2020

Could the children be a Beatrice bee this weekend and try lots of ways to work in your family 'team'? How many ways can they show you that they can contribute to a team effectively? Ask them to describe to you what our learning behaviour Beatrice means.

HOME LEARNING

Reading – We are challenging all Year 3 children to read as much as they can at home next week. Record on a scrap piece of paper every time you read with your child between Friday 27th November and Friday 4th December. We are aiming for at least 5 reads in the week for every child. As a special treat we will do something on Monday 7th.

Spelling – when, came, here, ripest, bravest, rider, complain, continue

Please see our spelling document on the year 3 homework page for more information.

Maths – This week, please see the MyMaths website for your child's maths focused home learning. If you are flying through these then your child could roll a dice and make 5 different 3-digit numbers and then order them from greatest to smallest and smallest to largest. There is a blank 0-1000 number line on the website that they can use to estimate the place of each number.

Optional Extras

The children have been looking at the beautiful story 'The Heart and the Bottle' by Oliver Jeffers this week. If your children would like to they could either research all about the human heart, what is it? what it does and how important it is for a human being to stay alive or they could design their own bottle that they would put their heart into.

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email.

A BIG THANK YOU ☺

We would just like to thank you all for continuing to leave the playground so promptly after dropping/collecting your children. As well as this thank you for continuing to send messages/any concerns via dojo rather than stopping on the playground. Your support is really appreciated at such a difficult time
