

# Year 3 News

Friday 20th November 2020

## Curious Capers

The children have looked at four different animals based on learning behaviours. We have seen lots of Curious Casper Cats this week; especially in our reading sessions.

Ask your child what a Casper Cat does!

Miss Brown and Mrs Rickword

## HOME LEARNING

**Reading** – Children are bringing home reading books and some are beginning to quiz on accelerated reader so therefore the children need to really practice those comprehension skills. Children should aim to read at home for **15-20mins daily**.

**Spelling** – our are asked doesn't won't Shouldn't complete consider  
Please see our spelling document on the year 3 homework page for more information.

**Maths** –This week, please see the MyMaths website for your child's maths focused home learning. If you are flying through these, please spend some time looking at partitioning a number below and finding 10/100 more and less than then number as well as finding subtraction facts from the partitioned model.

**232 or 596**

## Optional Extras

Design and technology- gather some boxes used for packaging. What shapes can you find? How are they constructed? Can you find three different shapes? We will be exploring nets and producing our own boxes in our design and technology sessions this half term.

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email.
