Amazing Mathematicians

Please continue to support your child's learning by practicing their number bonds to 10. We are working on developing fluency in this skill (lightning fast recall). You can also practice your 3 times tables and become more fluent with these.

HOME LEARNING

Reading – Children are bringing home reading books and some are beginning to quiz on accelerated reader so therefore the children need to really practice those comprehension skills. Children should aim to read at home for 15-20mins daily.

Spelling - their, there, were, distrust, unusual, unzip, calendar, caught
Please see our spelling document on the year 3 homework page for more information.

Maths –This week, please see the MyMaths website for your child's maths focused home learning. If you are flying through these, please spend some time with your child and ask them to choose one answer to explain.

MAKE A MATHS POSTER:

Chose one or both of these numbers: **46, 687** and make a poster all about these numbers based on what we know about them. Different representations, write it, draw it, show it, write facts about it, multiplicative sentences, additive sentences etc.....

Optional Extras

If you have the Disney Pixar film 'UP!' please can you watch it in preparation for our English writing wall piece coming up 😊

History- Make a timeline of your parents or grandparents life. What order have you written it in? Why is this important?

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email.
