

# Year 6 News

Friday 24<sup>th</sup> June 2022

It's been a very different week from last week!! Getting back to writing, maths, PE, French, history and PSHE has been great. The children have shown that they can focus and they understand we still have lots to do. It was great to have Mrs Merry (the ECC Y7 head of year) visit us on Tuesday. All of our Y6 children have transition visits coming up soon

Mr Pattison, Mrs Batten and Mrs King

## HOME LEARNING

We are in full flow with our end of year production. The children have been given parts and song words to learn at home. If you have access to Alexa you can ask her to play Craig Hawes and then the song name- everyone can then sing along!!

We have also sent home slips of paper with the costume items each child needs. If you are struggling to source anything please let us know ASAP so we can help out.

It is vital that children spend time learning their lines and the song words- this is their home work for this week.

We are really looking forward to sharing the production with you on Wednesday 20<sup>th</sup> July at either 2pm or 6pm. You should have received a MyEd message about requesting tickets.
