Happy Easter!!!

This home learning is to help support the children throughout the Easter Holidays. We have explained to the children that it would be good to do a little bit each day and these resources will help them do that.

It is really important that the children have a good break too as they have worked extremely hard this term and need to be energised for their final term at Brixington.

Mr Pattison, Mrs Batten and Mrs King

HOME LEARNING

Reading – Children should aim to read at home for 20-30 mins daily. This may be reading to an adult or independent reading. They will be able to quiz on their books once they have finished, which allow the children to complete comprehension style questions.

Maths – Ten for Ten booklets have been sent home with the children.

Times tables – Please focus on the x table shown on your ‘heatmap’ as one you need to speed up on. Play <https://play.ttrockstars.com> for 10 minutes per day.

Other information

Thank you to those for attending the Residential meeting on Tuesday. We have discussed it in class again with all the children and answered any further questions. If you were unable to attend, the PowerPoint can be found as a PDF document in the Year 6 home learning folder on the Website.

If you have any questions about it, please send a dojo message to your child's teacher.
