

Year 6 News

Friday 21st January 2022

This week we have become members of Shackleton's crew on the Endurance. He chose us from the amazing application letters we wrote. We have also started to learn about which countries were involved in WWII, What is Atman? in RE and continuing to solve problems with decimals in maths.

Mr Pattison, Mrs Batten and Mrs King

HOME LEARNING

Reading –Children should aim to read at home for 20-30 mins daily. This may be reading to an adult or independent reading. Year 6 have read just over words since we started back! Who will be our 'Word Millionaires' this year?

We have sent home a reading comprehension question sheet with your child. The text they need is on the website. Your child will know whether they are doing 'Werewolves' or 'Chocolate'

Maths – Please log onto My Maths and do the tasks set for you. It needs to be completed by Wednesday. If you have a problem with accessing this let your teacher know and they will find a time for you to use the school computers.

Times tables – Please focus on the x table shown on your 'heatmap' as one you need to speed up on. Play <https://play.ttrockstars.com> for 10 minutes per day.

Spellings to learn this week – queue, recognise (these are from the year 5/6 spelling list)

SUBJECT SPECIFIC VOCABULARY

Maths- fraction, decimal, equivalent, integer

English- advertisement, persuasion, persuasive language

PE

6BK- PE on Monday (dance) and Thursday (netball)

6P- PE on Monday (swimming) and Friday (netball)

Please remember your PE kits. Our kit is blue shorts, blue Brixington T-shirt and trainers.

Other information:

Please ensure your child has a coat in school every day. It is cold and can suddenly get wet. We are encouraging children to be outside in the fresh air at break and lunchtimes.

We have been very lucky over the past few weeks to have more adults supporting groups in Y6. We would like to welcome Miss Hussain to the year 6 team. She will be taking small groups for maths and English every day.
