

Year 6 News

Friday 3rd December 2021

The children have continued to work hard this week in all areas of the curriculum: using colons and semi-colons in English; learning to calculate efficiently with fractions; starting to build our electricity designs in science and using sources in History to form our own opinions about Victorian workhouses.

Mr Pattison, Mrs Batten and Mrs King

HOME LEARNING

Reading –Children should aim to read at home for 20-30 mins daily. This may be reading to an adult or independent reading. Year 6 have read just over **9.5 million** words since we started back! Who will be our ‘Word Millionaires’ this year? We have 3 children who have passed the half million stage- well done Gracie, Sophie and Poppy.

Maths – We have sent home an arithmetic paper with the children. Please complete this **by Wednesday** and return to your class teacher.

Times tables – Please focus on the x table shown on your ‘heatmap’ as one you need to speed up on. Play <https://play.ttrockstars.com> for 10 minutes per day.

Spelling to learn this week – lightning
(these are from the year 5/6 spelling list)

6bk@brixington.devon.sch.uk 6p@brixington.devon.sch.uk

SUBJECT SPECIFIC VOCABULARY

Maths- multiply, integer, array, numerator, denominator

English- Persuasive, emotive, climate

PE

6BK- PE on Monday (gymnastics) and Thursday (circuits)

6P- PE on Thursday (circuits) and Friday (gymnastics)
