Friday 1st October 2021

Another busy week

It has been an unusual few weeks but the children in and out of school have managed admirably.

Well done to the team who have continued to provide learning for all children.

Maths – We have set activities on MyMaths linked to addition, subtraction and multiplication.

Times tables – Please focus on the x table shown on your ‘heatmap’ as one you need to speed up on. Play <https://play.ttrockstars.com> for 10 minutes per day.

Spellings to learn this week – awkward and bargain (these are from the year 5/6 spelling list)

Other information

We have recorded the House Captain videos for those children in school who wanted to be considered for the role. We will wait until children who have been isolating return to school so that we ensure all children who want to be put forward have the opportunity.

There will also be information regarding the Y6 residential in June coming home very soon. This is a great opportunity for the children to practice independence, problem solving and most of all having fun with their friends.
