

Year 5 News

Friday 14th May 2021

What a week!

We have been very busy this week learning about night and day in science, calculating with decimals in maths, using artefacts to tell us about the ancient Greeks in history and using drama to help us understand the character of Macbeth.

Mrs Batten, Miss Burnett and Mr Skinner

HOME LEARNING

Reading –Children should aim to read at home for 20-30 mins daily. This may be reading to an adult or independent reading. At the moment, we are unable to send reading records home so if you have a query about your child’s reading please send a DOJO message or use the class email address. Y5 have read just over **19 million** words since September!

Maths – We have set activities on MyMaths linked to \times and \div by 10,100 and 1000.

Times tables –Play <https://play.trockstars.com> for 10 minutes per day. There is a Battle between Y5 girls and Y5 boys running from today until 12pm on Friday. Who will be our ultimate Rockstars?

Spellings to learn this week – immediate, occupy, occur.
(our spellings this half term all contain double consonants)

5SB@brixington.devon.sch.uk 5B@brixington.devon.sch.uk

SUBJECT SPECIFIC VOCABULARY

Maths- obtuse, acute and right angle

Science-shadow

English- clause

PE

5SB- PE on Monday (athletics) and Friday (Tennis)

5B- PE on Monday (athletics) and Thursday (swimming)

Please remember your PE kits. Our kit is blue shorts, blue Brixington T-shirt and trainers.

Pre-teaching:

We are going to be learning about angles next week. Please look for angles around your house and work out whether they are right angles, obtuse angles or acute angles.

<https://classroom.thenational.academy/lessons/understanding-angles-6nhk8t?activity=video&step=1>

This video will be a great reminder of angles for the children to watch before we start next week.

Thanks

Mrs B and Miss B
