

Year 6 News

Friday 14th March

This week, the children have finished their Dragonology work in English, with final copies just to be tea-stained to be complete. We have also begun revising statistics in maths (see this week's homework on Magma Maths).

We have enjoyed plenty of sunshine on the field at lunch times too – although there were a couple of fallings-out on our football days.

Today, the children have had an exciting French lesson with Miss Hayward where they have been able to sample some traditional French foods!
